

## *“Client Testimonials”*

---

Dear Ed,

This is Virginia Nowak, from The Highlands at Port Jefferson. Your company also installed my windows.

Now that all your hard work is done on my building, and our neighbors are returning, I just wanted to take a moment to thank you and all those who work with you (especially Jimmy). You are such kind, compassionate people (a rare find in your business) and your work is impeccable.

We were very lucky to have your company do the fire restoration of my eight connected neighbors. I was able to see Denise's unit and it is magnificent! If I ever win the lotto, I will be giving you a call!

I know this sounds crazy, but you will be missed.

Thanks again for everything. Hopefully our paths will cross again in the future (but not because of a fire!!!).

Best Regards,

*Virginia Nowak*
