

“Client Testimonials”

2002

Ed,

My wife and I contracted Ed Faulkner from JEM to add a dormer to our home, install all new roofing, and Andersen Windows & French Doors to our Kitchen. Work at our home began on the date promised and all work was completed on time.

As I am sure anyone who has had work done in their home can attest-it can be a very trying time...there is always someone coming and going. Ed's crew was well trained, polite, and very courteous.

We are very pleased with the end result and wish Ed much success. They have our highest recommendations!

Sincerely,

Carl J. Clark
